

# WEB3 UNLEASHED THE POWER OF BLOCKCHAIN

---

## 5 City Web3 College Roadshow

Coming to various cities with the agenda to make sure that Indians are the fastest adopters of Web3, also empowering student community.

**Date:** September

# ABOUT EDUHUB

It's a community for learners by learners. The vision of this community is to build an environment where people can learn, implement and grow together. It provides people the opportunity to work with peers, showcase their talent and enhance their skills by working in-team. We promote Open source, Web3, Web dev culture through our community. We are the frontliner in the field of Open source and Web3.0.

# ABOUT THE EVENT

---

**5 City College Roadshow** is a initiative of Eduhub Community, through this Roadshow we are trying to leverage some uncertain colleges where we can setup some web3 culture on their campus also we are empowering Open source culture through the event, it would be a best tour where we are trying to organize 25 College in 5 city and many more.

The focus will be on the latest developments in the world of web3, crypto, and dApps, accompanied by great presentations, panels, workshops led by pioneers in the field, amazing swags, and networking opportunities, learnings for attendees!

**5 City  
25 Colleges**

*Increasing the Web3.0 adoption In India*
